Technical drawing of a mechanical part, showing a cross-section. The part features a semi-circular top with a central hole of diameter  $\phi 100$  and radius  $R38$ . The left side has a vertical section with a semi-circular profile of radius  $R28$  and a central hole of diameter  $\phi 16$ . The right side has a vertical section with a semi-circular profile of radius  $R16$  and a central hole of diameter  $\phi 16$ . The bottom section is a rectangular base with a central cutout. Dimensions include 36, 28, 14, 18, 32, 20, and 60. A cross-section is shown with hatching and a width of 32.
